Business Meeting

-Harley led a discussion on the Rotary Club completing a meeting room in the new civic center at an approximate cost of 26,000 plus any labor we couldn't do ourselves(total labor estimated at 35,000 if contracted out). A motion was subsequently approved that the club pursue this project further with the civic center board of directors.

-Letter from crosswinds re camper request was deferred until we look into procedure for handling these requests.

-Music by the Bay We approved 75\$ for the Racheal Duffley memorial fund as per Dave Merrithew's letter as did the Hampton, Rothesay and Saint John Rotary Clubs.

-Speaker system funding proposal was deferred a couple of months until we know more about the community room at the civic center(would also need sound system)

-Water bottles should be finalized soon and we expect the amount to be in range of\$ 2,000.

-RLI Training is in Moncton this weekend April 18th,with good representation from our club(Rhoda, Barb, KimP, Donna, Frank)

-Still no response from premier's office re our proposed fund raising dinner.
