-A business meeting was held as next week is our special membership development meeting on April 30th

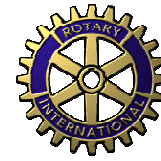

Topic's discussed were:

-Rhoda gave a brief report on the dinner and auction held April 12th. We had 90 or so attend and while the numbers were down it looks like we still made over 10.000\$. We still don't have the bill from the Legion and some donations are still not in but it is obvious that the night was a success. Thanks to Robert Kimball for all his work on prizes and to Rhoda and her committee for all their hard work in making it a successful night. Now is the time to start planning next years event when things are fresh in our minds so we can make this event something people plan on attending yearly.

-Adopt a highway spring clean up is being delayed 1 week due to the weather expected all week. Bruce and all volunteers will meet at lower Tim's 8pm may 5th

-Lou spoke about the planned membership development meeting April 30th. Our ADG will be in attendance and there are a number of prospects on our list so if you haven't contacted yours yet please do so ASAP. A Rotary video will be presented along with comments from ADG and some members. It's critical we increase membership if we are going to continue to do the level of work we do in this community.

-Rhoda brought up the Rotary wheel and it was suggested someone contact Stewart in this regard.

50/50 won and donated back to club by Bruce.

Meeting Adjourned.
