Donna must have thought we all needed sweetened up a little as she brought us all two pieces of homemade fudge. Thank you Donna.

The Atlantic Division Atlantique is hosting the fourth series of Rotary Leadership Sessions at the Dartmouth Community College Campus on Saturday September 15/07. Kim Pearson is planning to go for sure and anyone else interested should get in touch with her. There may be a chance to pool vehicle resources.

Our highway clean-up project could be in jeopardy because funding has been reduced to the Department of Transportation. There was some discussion that the club should go ahead with the program and a tentative date was set for the first two weeks of October. Frank Skaling, Chair, should have more information on the funding aspect as soon as it's available. Your opinion as to whether we should continue without funding would be appreciated.

This is the 30 th Anniversary for the Charter of the Sussex Rotary Club. A Charter night Dinner is being planned for the first week of November. More details will follow as plans become official.

It was generally agreed that the Paul Harris Fellowship night should be held separately and would be better held in the spring.

Pool project – Advertisements have been placed for a manager for the pool. On fund raising, Harley didn't think the actual fund raising would begin in earnest until sometime in the new year; however, more information would be forthcoming after a meeting to be held on September 10/07.

Harley will be 90 years young on Wednesday and to celebrate the occasion, a little early, Bruce made a presentation on behalf of the legislature and Donna presented Harley with a cake. Photos were taken and all in attendance gave sincere congratulations.
