GUEST- Don Mockler introduced by Roger.

-Don was originally from Grand Falls, an industrial mechanic by trade worked for PCS for 25 years before retiring 12 years ago at age 63.

-Since then his passion has been his magic. Slight of hands tricks fooled us all and it was really very interesting. He says he wore out 2 mirrors practicing till he got the tricks right.

-He made money appear from scrap catalogue paper, rope tricks, card tricks, and ball and cup tricks.

-He is keeping busy performing working 6 functions in the next 8 days.

-Thanked by Robert Kimball.

Other business

-We had a discussion on our proposed auction/dinner fund raiser and the consensus was to shoot for April 8th or 15th having Mr. Mockler as an entertainer. Committee will find out if he is available and our options as to where we hold it.

-Please pick up your Christmas boxes by this Friday as crosswinds center closes Friday for the Christmas holidays. Please turn money in to Bob Black. If you need extra boxes please check with April at Scotiabank.

-Don't forget next week's meeting is a special Christmas meal and collection of \$ donations for salvation army.
