Rotary Minute - Lou - Lou did his Rotary Minute on the Rotary Foundation. Lou is the Foundation Chair for our club and he talked about the history of the Foundation. Since the first cheque of less than \$30 the Foundation has grown to over \$1,000,000,000. The Rotary Foundation is the charity portion of Rotary and is where the donations to Rotary are managed.

Trip Tickets – We have two tickets left and we will be sold out and those tickets are spoken for and awaiting pick-up.

Rotary Wheel – Robert Jr. and Donna have confirmed that the town does know that we want the space and is aware of what we would like to do with a monument. Bob K. has spoke to the town and is looking at quotes for different style monuments and will make every effort to keep the communication open with the town.

Highway Clean-up – This was on the agenda but Frank was not in and we have a few months before the snow melts so this will be discussed at a later meeting. Lou is going to ask Frank about the commitment to the clean-up and we will book a date to do the clean up in April or May but the date is to be determined.

The general consensus of the membership was that we continue this event but all agreed that we should try and get some PR with the clean-up. Robert mentioned the photo in the record from a few years back and Paul thought that was a good idea too.

Donna asked about having “Rotarians at Work” signs and we will confirm with Frank whether we can do that or not.

Rhoda asked if we could incorporate high school student into the clean-up as this would fit the schools agenda for the student’s volunteer program. We will have look into this as there was a minimum age given to us by the DOT as to who can participate in the clean-up due to safety concerns.

President-Elect – The President Elect position is still up for grabs and is the only position keeping us from having a complete list of officers for the 2011-2012 year. This will be for the President of the 2012-2013 year.

Goo-Gone – Harley needs some Goo-Gone and some help with getting the glue off the 45 large water bottles in his basement. The return won’t take the bottles back with the glue on them; otherwise Harley asked if he should advertise them for sale on Kijij for \$5 each. Rhoda and Robert L. offered to help Harley with the water bottles.

Meeting Adjourned.
