Program –Each member spoke to the club about their family, work experience, interests/hobbies how they became involved in rotary etc.

This exercise proved quite interesting as we found members with past work experience as varied as pilots, morticians and an unmentioned member who actually worked at a morgue. Some very interesting hobbies from tree farming to photography and pistol shooting, snowmobiling, fly fishing, traveling etc.

An interesting bunch of people based on what we heard today.

With the exception of Harley we were all able to speak, but time ran out so Harley will speak next meeting and will have lots of interesting stuff given his long and varied life.

Christmas boxes project reported all 192 boxes sold with a net profit of 1,514.4
