Guest Speaker – Rev Kevin Vincent – Apohaqui Community Church

It has been 10 ½ years ago that the new church was started and has grown to a congregation of approximately 500. He said had mentioned that leadership is being a visionary without a sense of fear. Each organization if is a service club, church etc should have a vision. Part of having a vision is having a positive attitude. Groups need to have clarity on what their vision is and what their values are, as their values support their vision. A couple of statements that he left us with are as follows:

The first task of a leader is to define reality.

If you say you are you have to be.

Anyone interested in the session that is going to be help in Moncton on January 20th please let Kim know. There are 17 members from the Rothesay club going to the session.

There is another session that the District is holding in Fredericton on the 10th of February and Gordon Dempsey advised that someone from our Compliance Committee should be there. There is also training being held for the Secretaries and Membership committee's as well.
