Rotary Grace

Toast to the Queen

Rotary Minute: none

Guest Speaker: Wendy Osborne – Rotary Classifications

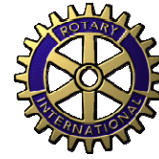

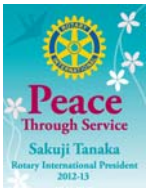

Wendy talked about our Rotary classifications. This is to encourage that no all clubs are the same. The board can determine the classifications. One way to broaden our knowledge of each other's workplace is for members to share classification talks. Wendy handed out a list of classifications for our reference. We are able to adapt out classifications if there are some that are similar. Wendy will arrange to have each member do a classification talk during the 2013 – 2014 Rotary year. She feels we can do a 10-12 minute talk. Wendy will email to everyone the list of items that these talks should include.

Committee Reports:

Trip Draw Tickets: 112 tickets sold as of Jan 14th.

Auction Dinner: the committee is looking for a replacement for the wine tree. Robert K to approach the owner at Maritime Travel as we give them a lot of business over the past several years of us doing the trip draw as approximately 90% of the winners take a trip. Most of the people that win a trip would spend more money.

GSE (Group Study Exchange): the participants are from India. This is the last GSE as there is a new structure for this program. They will be in our district May 27th to May 31st. Rick will talk to the other clubs and find out more details and will report back. Robert K will send out their biographies to us.

Paul Harris Night: the location has been booked, it will be held at the Timberland, social at 6 and dinner served at 6:30, the ticket price is \$40 each, the dining room can only hold 60 guests, the menu will be roast beef with ranch chicken being an alternate selection, this will include salad, with dessert cart (a selection of homemade desserts) as well as tea and coffee.
