Bob T. – Bob Started the meeting with an excellent closing remarks speech by talking about his time thus far as a Rotarian in the Sussex Club and his experience as President for his two year term for which he is very grateful for and expressed his appreciation to the club for the opportunity and for everything they have done as a club and individuals. He talked about what he loves about Rotary and the reasons he believes Rotary is so successful. He emphasized how impressed he is on the structure behind Rotary and feels that this is a big reason they have been around for over 100 years. He said that the diversity and fellowship in Rotary is second to none and for him it was a perfect opportunity to use the four way test, to serve and give back to the community and to assist in a work / life balance that we all strive to have.

2013-2015 President Bob T. Passed the Gavel to 2015-2016 President Rob Driscoll

Rob D. – Rob, with a great ice breaker, started with his very enthusiastic opening remarks by making good use of the gavel and letting everyone know who is President...

Rob thanked the 2014-2015 board for their work in the last Rotary year and the incoming board for joining him in 2015-16. He also gave a very sincere thanks to all of our new members who accepted his call to join our great club. He thanked the entire membership for the trust that was given him to do what he felt would be best for the club and we see the terrific results with the club having grown by over 50% with no signs of slowing down in the near future. Rob is very much looking forward to keeping the same momentum up in serving as President in his term and is confident with the membership we have his year will be a great one.
