Toast to the Queen

Rotary Minute: Rhoda Wilson. Rhoda spoke about three articles in regards to Health in our May Rotarian.

- ❖ Heading for Trouble: football has the most injuries and then soccer.
- ❖ In the Face of Danger: not just \$\$, the issue is people risk their lives to give a vaccine for polio, they feel that they are giving them HIV and or making them sterile, need more education than \$\$.
- ❖ Kamil Carr: spoke at two RI conferences on sanitation, in some countries they use the latrine to house a chicken coop, need to have people buy into keeping land sanitary.
