	-	Highway Clean-Up	-	Paint Club Sign

Chair Donna Gilchrist

Minute: none available

Guest Speakers

-Marti and Thelma gave us an interesting presentation on some of the things the public health nurses do in their area which covers from St Stephen to Sussex. Programs include

- Prevention**
- Health Promotion**
- Protection**
- Surveillance**
- Population Health**

A considerable amount of time is spent on early intervention /childhood development. Sexual health programs for teens, school and community are also operated. They run pediatric immunization, adolescent and school based immunization programs.

A lot of their work is coordinated through the school districts including Healthy learning in school and putting education and health together for better wellness, they touched on a number of the initiatives in Dist #6.

Our Auction Dinner is only 1 month away from today so we all need to do our part in collecting prizes and selling tickets NOW.

_ Bruce agreed to head up the highway clean up this spring tentatively set for April 28th 8am. Meet at lower Tim's.

Meeting Adjourned.

***** Please note that I have included our Rotary Club Calendar with this Cowbell. *****

Stay tuned for the Next Cowbell!!!
