-GUEST SPEAKER- Our own Wendy Osburne spoke as Vice President of the Fundy Civic Center.

-Wendy has been involved with this project for over 10 years.

-They have now raised almost 2,600,000. Of the 3 million the community was to raise however funds have slowed down and a real need for a push to get another 400K by June 30th is needed in order to see the project started as soon as possible.

- Wendy urged us as Rotarians to have the club pledge funds over a 3 -5 year period as soon as possible. Remember it was our club who was the driving force behind this project in the early days and invested 19,000 of our funds to keep it going when it needed money.

-A very good job on updating our club Wendy.
