Rotary Minute – Frank – 100 Years of Service. A photo of a WW1 Marine holding a copy of a June 1918 issue of the Rotarian magazine was in one of the recent magazines. For a moment, two of the most efficient groups were molded together as one.

Bob & Jeanette gave a slide show presentation and update of their 4 week mission to Zambia. Paula who was at the mission is going to the RI Convention in New Orleans and Robert Jr. is going to see if he can get in touch with her. She is occupying a booth in the House of Friendship trade show. Bob and Jeanette agreed that the food was good and the people they worked with were even better.

RI 2011 Convention Voting Delegate – Bob moved and Wendy seconded that Robert E Kimball be the voting delegate for the Rotary Club of Sussex at the 2011 convention. Motion passed.

HCU – Frank will put a call in to see if the trash bags from the clean up are going to be picked up soon as some Rotarians noticed that they are still on the side of the highway.

Flower Wheel/Monument @ O'Connell Park – We are going to have Nelson Monuments draft a visual of the proposed monument and Kim Derrah will have a drawing drafted of the park location with the monument that we are going to take to the town. We are going to ask the town to consider the monument and give us suggestions if they come back with a no for our proposal. The monument that Nelson's quoted is \$4,000 so we are going to ask them to quote with the Four-Way Test on the back side of the monument too.

Meeting Adjourned.
