Today we dedicated our meeting to membership growth.

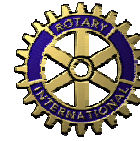

We picked a date and venue for the Club in a Club evening. We are going to get together at the Sussex Library on Tuesday the 11th of January. Bob and Lou are going to the Club in a Club dinner in Rothesay and will report on the dinner on our Nov 08th meeting. We decided as a group that we would wait to hear from them before we start contacting potential members. Some of the members expressed interest in having some literature for when we contact our prospects and Kim is working on getting something together for that. Each member chose from a list of prospect and will be contacting prospects from that list as well as a few that we added to the list. Kim is going to have a list of who is contacting who.

We also mentioned that each of us should have a "30 second elevator speech" regarding Rotary, the same way we might introduce ourselves for the occupation we have. The idea behind this speech is to be able to give someone an answer without much effort when we are asked what we do in Rotary or what is Rotary etc.

Meeting Adjourned.
