THE NEXT FEW MONTHS!!!!

NOVEMBER	-	Paul Harris Fellow / Charter Night	-	Club Elections / Nominations
DECEMBER	-	Christmas Boxes	-	Book date for the Adventures in
	-	Trip Draw Sales		Citizenship Interview

Minute: Robert Kimball

Robert brought in a news paper clipping from the Kings County Record. There was an Honorable mention of Sussex from the Communities in Bloom international judges and the especially liked our Flower wheel and in fact called it the finishing touch of the O'Connell Park!!

Guest Speaker – Stephan Wilson is a teacher at Belleisle High School. He has been assigning his students with names belonging to WW2 war heroes that did not make it home and asking that they research and create documents on them. He has been to Europe with several students and been on several Canadian Battle Sight tours. He took a trip to Italy, Belgium and France with teachers from all across Canada.

What really hit home for him was all the “thank you’s” he heard while on the trip, even after 60 year since Canada was there to free them. He said as soon as locals realized they were there from Canada they were very appreciative. Stephen made a point to thank Harley for his invite to the club.

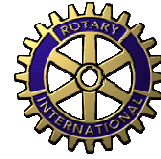

They can request files from Libraries & Archives Canada in Ottawa for soldiers who died at war. If the veteran is still alive or did not die at war then it is much more difficult. In most cases only the immediate family can obtain any records. Most of the soldiers they have researched are from the Riverbank memorial just outside of Norton. They also have a veteran that has been helping them with their research and getting names to be assigned to students, he is a local from the area. Other individuals have approached them asking to have a friend or relative researched for them.

You can find their website by typing BRHS lest we forget.

He took a group of students to Italy last year and they did a Canadian Battle Site tour and they seen several memorials and tomb stones belonging to fellow Canadians’.

Each student is responsible for their own profile or documentary and they all use Windows Movie Maker to do their project on the individuals they have been assigned. It takes them one year to do the research and about 12 hours just to create the videos which average only 4 minutes each. We watched 4 videos on individuals from the Sussex and surrounding area.

You can contact Stephen at Stephen.Wilson@nbed.nb.ca

Pin's & Badges and Membership – Lou

Lou had done the research on our pins & badges and we are able to get two different types from Black's at a very competitive price. We will be able to order new badges within two weeks. Lou is going to confirm whether or not they come with magnets too. We can get either Solid badges or Window badges. The membership had a vote and we agreed on window badges in order to be able to change and add new members with ease.

Membership – The committee has a form which was passed around and we would like it to be completed and returned by November 28th. This will make it so every member makes it their business and responsibility to help grow the membership.

Meeting Adjourned.

***** Please note that I have included our Rotary Club Calendar with this Cowbell. *****

Stay tuned for the Next Cowbell!!!
