Toast to the Queen

Chairperson, Kathy, welcome all members and guests.

Rotary Minute: Cindy played a game with Rotary anachronisms complete with treats for the winners.

Introduction of Speaker: Robert Kimball

Speaker: Both Mark Murray and Gilles Volpé came as representatives of Enbridge Gas NB. Gilles spoke about the need for sustainable resources of fuel and highlighted the importance of natural gas and its efficiencies. Enbridge has allocated over four billion dollars for research; however, the majority of this money will not be given locally as New Brunswick is considered too risky a territory to invest dollars. Gilles feels that natural gas will guide the transition between sustainable resources and renewable resources.

Thanker: Lou McNamara
