Lou – We rescheduled the highway clean-up for the 23rd of October and will meet at the Gateway Mall Tim Horton's at 7:30.

Robert K Jr. – Gave an update on the Dinner/Auction Committee and event. The committee is going to be the same as last year and will start moving forward on the planning soon. They will be meeting shortly to make the decision on the venue and date so we can have a location and date booked sooner than later.

Barb – Trip Draw – Barb confirmed that the tickets are done and will be available to the members shortly. They will also fit the legal # 10 envelope as requested.

Flower Wheel – The Flower Wheel has been cleaned up by the town. They have scraped the soil, weeds and rock off the mound. This will hopefully help with any changes we make to it in the spring. Lou has a call in to the town and is still waiting for a reply. The town is waiting to hear from us regarding the clubs plans for the location as the flower garden has seen better years and is starting to require more maintenance than the club cares to handle. We are looking into a permanent monument erected to give year round recognition. Take it for Granite is a newer business in town and is looking at whether they can help with the monument. We are also approaching other contractors and have put a call into the district secretary to send an email out to the district to see if anyone in our district has done this type of thing or perhaps is in this type of industry and would offer a hand.

Harley – Signs – Harley has confirmed that Kings County Welding and Fabrication (Tony Bell) Has agreed to remove, sand blast, paint and finish the frame for the local club signs at four corners. We will have to get the brickwork and soil removed in order to remove the frame to be finished some time in the spring. This has been added to the calendar below.

Lou – Club in a Club – Kim is still working on this event and will have an update for us shortly. The Rothesay Club is having a Club in a Club in November and Bob K Sr. is planning on attending their dinner to get a feel for how they work.

Bob B. – Coats for Kids – Bob has heard from 2 schools and is waiting to hear from the other 4. Peter may have heard from the other 4 schools already but they hope to have final numbers for the next meeting.

Lou – FOUNDATION Chair – Lou has asked the membership to fill the position of Foundation Chair. The chair would be responsible for making sure that the club meets their obligation for the funds committed to for the Rotary Foundation and could either be the chair or work closely with the chair of our Polio Plus fundraisers like the purple pinkie.

Meeting Adjourned.

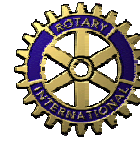

***** Please note that I have included our Rotary Club Calendar with this Cowbell. *****

Stay tuned for the Next Cowbell!!!
