BUSINESS MEETING

-Roger was at the Moncton shelter box meeting gave us a report on this event and presented our club's donation of \$1.200 for another shelter box. Thank you Roger.

-Adopt a highway clean up reported only 3KM of our 10 KM done so far, Please do your part if you haven't already done so. Call Frank to co-ordinate this please.

-Transition House work partially done and with the bad weather and time of the year the rest of the work is postponed until next spring.

-Coates for Kids update, A total of 49 certificates (\$3,675) requested and will be delivered to the 6 schools this week. Last year we were over our \$4,500 budget so its nice to see it under this year. As usual great comments have been received from the schools for this worthwhile project.

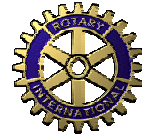

-Dave Morrison not present so no update on proposed fund raising dinner.

-Frank gave a brief message on the Foundation and Membership District meetings he recently attended.

-Christmas boxes project moving along, Please contact your customers from last year ASAP as we need a count on quantity by mid Nov. to order product. Cost \$25 and if you need a color photo as a sample let Bob Black know. Robert K jr, Rhoda and Wendy agreed to call some potential business names to be provided.

-Some discussion on who were on various committees in particular we need a chair person for the Trip Draw committee and we should all know who are on the numerous committees we have for the year.
