Roger Albert – Roger has resigned as a Rotarian due to increased work responsibilities but Wendy will remain as the PotashCorp representative.

PCS will be contacting different members of the public and groups to poll what their public image is like.

Rose festival in California sent a request to participate in the lottery to win a spot on their float in the parade. We will not be able to participate this year.

RI convention is in Bangkok in 2012 on May 6-9th.

50/50 Will be tickets sold by Harley

The Annual Heart Center Dinner is held at the T & C center with Patch Adams as the guest speaker.

RLI (Rotary Leadership Institute) – Kim informed us that the RLI will be held in Truro again on Oct 16th 9-4. We have a budget in place to cover cost for travel and registration. Contact Kim Pearson for details. Robert K Jr. would like to go if anyone else is interested.

Shelter Box is due Sept 16th. The government of Canada is matching \$ for \$ for the East Africa Appeal so Barb will donate on-line prior to the deadline and the club will reimburse her. Kim moved that we pay for one box and Peter seconded.

Flower Wheel – We still need to pay \$250 to Stewart for the flowers; he has generously offered the labor and professional design at no cost. Robert Jr. has stopped into the park and will follow up on the foot stone at the next meeting.

Interact @ SRHS – Barb was speaking to Greg McDermott (The District Chair for Interact) and he was hoping to see us start an Interact here. It is a lot of work but Rhoda said she would talk to the school about it and see what they thought of the idea. One thing we don't want to do is to take away from the Key Club who has been established there for many years.

Harley discussed a guest that he would like to have come to our meeting on the 7th of November (before the 11th). A Belleisle teacher and three of his students went to Italy to do a documentary and follow the footsteps of three local soldiers from Sussex who went to Italy during the war. We will have turkey dinner for our lunch. Please RSVP and guest are welcome and suggested.

Tony Bell of Kings County Mechanical – We will be making a thank you plaque for Tony from all clubs involved with the signage on the way in town. Barb will be looking into this and the club suggested that we have something like "In recognition of you support and generosity, thank you from the local community service clubs".

Meals on Wheels – Donna accepted chair for this worthy project.

Adventures in Citizenship & the Grad Bursaries and Scholarships – Rhoda and perhaps one of our new members will be looking after these other worthy events and projects. Bob Kimball had been looking after these for several years and will be happy to provide the details and procedures to make sure these get looked after. Rhoda will be contacting the school to find the Sin #'s and addresses of the recipients so we can write them the cheques for the bursaries.

Donna has the contact information for GNB regarding a visit from the rep at GNB to talk to us about shale gas.

Meeting Adjourned.
