Due to the fact that we had no guest speaker scheduled, this meeting became a impromptu business meeting.

Issues Discussed:

1. Rhoda's request for a leave of absence due to schedule issues at school. It was discussed whether she requires an official leave of absence for her work at the school, or if her makeups will account for her missed attendance
2. Replacement for Rhoda as the coordinator for guest speakers. Wendy stepped forward and accepted the role as long as the group can come together and provide her with some ideas as to who we should be bringing in as guest speakers. We went around the room and everyone provided their own ideas as to who we should invite.
3. Robert K, gave us some in depth info on the Bikes, Boots and BandAids program that we have scheduled to take place in October. We are still in need of someone to chair this program. Robert has done most of the leg work on it already.
4. Highway cleanup is scheduled for October 27, 2012 at 8:00 AM. Meet at the lower Tim Hortons.
5. Jason provided an update on the Duck Race Tickets
6. Jason also added that the coats for kids program is under way for this year as well.
