Business Meeting

-Frank reviewed our budget for 2009-2010 which forecasts a small surplus even after allowing for the 10,000. donation towards the civic center.

-Some questions arose and some minor changes will be made before the budget is finalized and approved.

-We have still not finalized a speaker or time frame for the fund raising dinner as we could not get Jim Irving to come speak.

-Coats for kids program is in progress as schools have been contacted and letters are going out this week. We have asked for the requests to be into us by Oct 23rd.

-Adopt a highway cleanup scheduled for Oct 17th. We should all do our part here so if you can't make it on the 17th then arrange to do a 1km section before then. Please co-ordinate this with Wendy Osborne so we don't have overlap you can bring family or friends to this event.

-Discussed correspondence from Rotary Rose Parade float committee and passed on making a donation.
