Minute: N/A

We confirmed details on the auctioneer, credit card machine and wine tree.

Harley Geldart – Bob Black announced that Harley has been in the hospital for a while and would like to see anyone who has a minute to stop in and chat. He will hopefully be out soon but could use the company during his stay.

Great News!! – Robert (Bob) Tremblett has accepted a proposal to be our President-Elect in 2012/13. Although Bob is a relatively new member to our club he has shown great leadership, commitment and overall willingness to participate in and learn about Rotary on many levels.

Bob has been on the radar early on for this position on the board and when the executive elect (and current executive) discussed the vacant position his name kept coming up.

After getting to know Bob, some of his family and his business and seeing how he looked after our Trip Draw as Chair without any hesitation or hick-ups the reasons are obvious. Please join me in welcoming Bob as our 2012/13 president-Elect.

Jason S – Jason received some correspondence from the Develop Norton Community Program and passed it around for the membership to have a look. The Norton Community Playground Committee are looking for assistance with their refurbishment. We will bring this to the next business meeting at the end of the month.

Meeting Adjourned.
